

Lived Experience Council Members Guidelines for Expression of Interest

Lived Experience Council Members Guidelines for Expressions of Interest

Stroke Foundation is looking for four new members to join its Lived Experience Council from:

- South Australia
- Australian Capital Territory
- Queensland
- National (survivor of childhood stroke)

Candidates must:

- be a survivor of stroke or a carer
- submit an application

Stroke Foundation values diversity. We want to include the views of all survivors of stroke, their carers and family.

Your application should be less than two pages and include:

- › Information about your lived experience of stroke.
- › Why you want to join the Lived Experience Council.
- › Your ability to perform the duties and responsibilities in the position description.
- › How you will represent the view of other survivors of stroke and carers.
- › Two references who can vouch for your skills, experience and character.

When choosing candidates, Stroke Foundation will look at:

- › Your ability to perform the duties and responsibilities in the position description.
- › The balance in diversity of membership. We want a broad representation of survivors of stroke and carers.

Please let us know if you need adjustments or support to apply. We can help.

- Apply by **5pm on 4 May 2025**. Click the 'Apply' button below.
- Submit your application as a cover letter.
- You can submit a copy of your Resume. This is not compulsory.

Only short-listed candidates will be contacted for interviews.

Stroke Foundation has the right to extend the closing date for applications.
